Welcome to the May/June issue of **sp² Inter-Active**, published using new technology that enables avakado Media to enhance your reading experience by including audio and video clips, while also giving the opportunity for advertisers to add audio and video content to their advertising messages.

As a reader of **sp² Inter-Active**, you will be able to download and share content through social media such as LinkedIn. Readers of **sp² Inter-Active** are also now receiving our new weekly e-newsletter, **Tom's Top Ten**, which will summarise the most significant news stories that affect your business.

We believe this is a significant advance for **sp²**, making use of new publishing technology and continuing to bring you high-quality coverage of discovery, development, delivery, manufacturing and business management in life sciences.

To register and receive the May/June 2012 issue and guarantee your **FREE** delivery of **sp² Inter-Active**, sign up by [clicking here](#)

Tom Mulligan
Editor – **sp² Inter-Active**
